ACCUMULATOR

PLEASE BE READY TO GO DOWN TO THE MAIN RING c.1PM

The course will be built in the main arena from c.1PM. Whilst this is happening you can warm up in the area in the main ring, there are two practice jumps. When the course is ready it can be walked and then we get started ASAP. There is a horse walk to the main arena. We will try and get most horses down there in one go as we have to stop the crowd near the main arena. PLEASE do not go down the horse walk until instructed, and follow any instructions given by officials. We are all doing our best to keep horses and the public safe.

***** PLEASE NOTE THERE IS A FLYPAST OF HURRICANES AT 1.15PM**** We have not encountered issues with low flying before as most horses ignore it, but of course if you wish to keep your horse on the truck until the fly past has happened please email me, or speak to me on the day and I will revise the order below to accommodate you going down to the arena slightly later. SAFETY IS A PRIORITY, please let me know of any issues.

PLEASE ALSO NOTE – GROOMS ONLY, NO CHILDREN UNDER 12, WHEELCHAIRS/MOTOABILITY SCOOTERS are allowed in the collecting ring for the main arena.
